Orders are filled on a first-come, first-served basis until supplies are depleted. If you plan to pick up your seedlings directly from the nursery, you will be notified when your order is ready.

Out-of-State sale customers must check with their own state first for seedling availability. Out-of-state orders will not be accepted until Nov. 1 and all orders are subject to refusal.

TECHNICAL ASSISTANCE:

Landowners may receive free planning assistance for tree planting projects from the Division of Forestry by contacting the district office serving their county (table on right).

All seedlings are inspected prior to shipment. No adjustments or replacements will be made for losses or damage unless reported when seedlings are delivered. Please contact your district office if problems occur with the delivery of your order.
